OBJECTIVE

[An entry-level game design position with a small-to-medium-sized studio.]

[An entry-level 3D artist/modeler position with a small to medium-sized game/animation company.]

EDUCATION

Bachelor of IT – Honours: Game Development and Entrepreneurship Sept. 2008 - June 2012
University of Ontario (UOIT), Oshawa, CAN

- Major: Game development with small business experience; accounting, marketing and finance.
- Related Course Work: Game design, User interface design, Level Design, C++/C# programming, 3D Animation/Modeling, Small business finance, Statistics, Game marketing/advertising, Social media and Monetization techniques in games/apps.

SKILLS & ABILITIES

[3D Design and Animation]

- From blueprints, developed and implemented a 3D model of the Abilities Center in Whitby ON. This gave the Center's Director a virtual mock-up of the building for prospective clients prior to construction completion; the 3D model was fully furnished.
- Fully rigged and jointed 'Herbert the Turtle'; including all facial deformers.
- Animated a minute long lip-sync sequence based upon the 'Turtle Club' skit in the movie Master of Disguise with Dana Carvey

[Game/User Interface Design]

- Lead game designer on MSpainter+, a 2D 'draw-your-own' style puzzle escape game similar to n+ meets Crayon Physics.
- Lead UI/menu system developer for Flight 37 and MSpainter+: both user interfaces were designed to reflect thematic elements of the game while maintaining ease-of-use.

[2D/3D Game Art]

- Created the 2D menu/interface art for MSpainter+ as well as all art used in Flight 37.
- Lead 3D artist and level designer for Destiny Racing

[Leadership]

- Currently serve as an assistant kitchen manager at Boston Pizza.

EXPERIENCE

[3D Modeler]

Sept. 2011 - March 2012

Durham Abilities Center

- Responsible for designing a 3D guided tour of the Abilities Center in Whitby to be shown to prospective clients.
- Utilized architectural blueprints to construct the 3D model; they were sourced to design a 1:1 representation of the building.

[Assistant Kitchen Manager]

Feb. 2009 - Present

Boston Pizza Whitby

- Lead a small team of line cooks each shift accomplishing various restaurant tasks.
- Deal with inventory stocks on a weekly basis, meeting strict deadlines and managing a team.
